

MILL SUPPLY has put together a stereo, two speakers and antenna to be suitable for Step Van type vehicles. With the stereo kits on this page you can have a complete sound system where there was no existing system before.

44-950 - Stereo Kit - AM/FM/CD Stereo with 2 box speakers and antenna
(see below for purchasing pieces to this kit separately)

Pictures are representations of the units we carry. Appearances are subject to change, however function features and quality will not change.

52 TOTAL
WATTS

If you are just replacing an existing unit we have listed the parts separately below:

- 44-300** Jensen Stereo AM/FM/CD
- 44-175** Antenna (mounts top or side)
- 44-140** 60 Watt, 5" Wedge Speakers (Pair)

We recommend ordering another set of speakers (44-140) for better sound. (Wire not included, order 50-025)

AM/FM/CD Jensen 13 watts RMS x 4 channels, 52 watt total system power; detachable face plate; 8 character LCD display; last position memory; random/repeat/intro; high-speed audible track search; 30 station preset; auto store/seek. Dim: 7" x 7" x 2". Auxiliary inputs for iPod, Zune, or other MP3 players.
